of Correction

Sir:

It is respectfully requested that a Certificate of Correction be issued in order to correct an error made by the PTO, as well as corrections to claim 7 requested by applicant, as specified in the attached copy of the Certificate of Correction Form PTO/SB/44.

With respect to claim 7, applicant requests the following changes to step (A) of the claim:

(A) insert-molding, with a resin, a metallic, contact plate having (1) an annular contact, including an arc-segmental portion split by a slit and a signaling contact portion in electrical continuation with said arc-segmental portion and (2) a projected portion in such a shape as led out from both sides of said slit and joined together at their ends, such that said metallic contact plate including said projected portion is fixed in the resin molding with said annular contact exposed on a top plane of the resin;
